

We Make **EMERGENCY SERVICES**

Happen

AFSCME members around the country provide emergency medical services, staff 911 call centers and are first on the scene when disaster strikes. We often face budget cuts, lack of training and equipment, and impossible workloads. Join your brothers and sisters in the AFSCME Emergency Services Network to discuss the issues you deal with on the job, learn what's going on around the country and exchange information and ideas.

Join the AFSCME **Emergency Services Network**
